Assignment Components

- Content
- Organization
- Aesthetic Appeal

Assignment Expectations

Before any major written or creative assignment, turning in a draft of your work allows you to receive feedback from your Instructor and your peers. The Resume Draft assignment gives you the opportunity to flesh out your ideas and receive feedback in advance of the final deadline when you submit your Resume as part of your Digital Portfolios.

Begin by watching the assignment explainer video in D2L. Overall, this assignment has three (3) components: 1) Content, 2) Organization, and 3) Aesthetic Appeal. For Content, you need to at minimum include sections for Education, Experience, and Contact Information. For Organization, you need to order your content in a coherent, attractive way that makes sense to your reader. Please ensure that you list items with the most recent ones first. For Aesthetic Appeal, you should attempt to give your Resume a sense of attractiveness and artistic symmetry to the best of your ability. Again, you should begin by watching the explainer video in D2L that will cover each of these components more in depth.

Assignment Submission

This assignment will be submitted in Desire2Learn (D2L) in a format similar to the weekly Discussion Forums.

NOTE: Comments are NOT required for this assignment, as the Resume Feedback assignment will give you the opportunity to give and receive feedback on your drafts.
