

CSCI 3236 Homework #5 Part2

Due date: June 4, 2020 (Thursday), 11:59am

1. (10pts)

(Hint: you need to draw the computation tree for string $aaabb$ for problem b), as you learned in video "chapter5 NFA Lecture".)

2. (10pts) Use the construction given in the video "chapter5 More NFA Lecture" to convert the following NFA to equivalent DFA.
